Connect to My Student

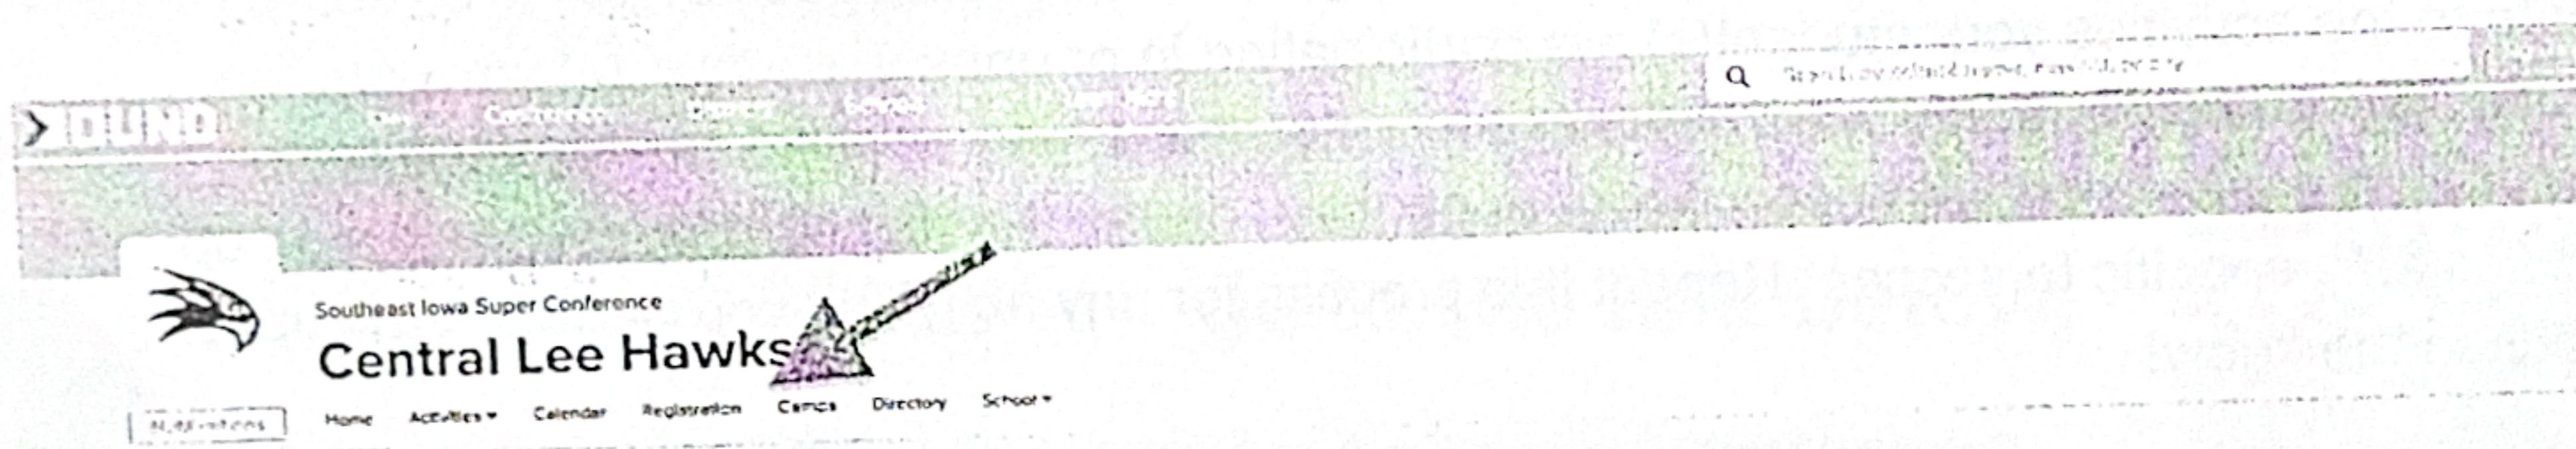

Greetings Central Lee Families,

We are excited to announce that starting Fall of 2024 we will be a full partner with BOUND, a full-scale athletic, activities, and facilities management system. This partnership will create a seamless and engaging experience for all Central Lee stakeholders - all of our schedules, scores, and standings.

BOUND Public Website - To get you started, click on the following link (be sure to bookmark this page). This is the landing page for Hawks, families, fans and students. You and your family will be able to get everything you need from this one site!

<https://www.gobound.com/ia/schools/centrallee>

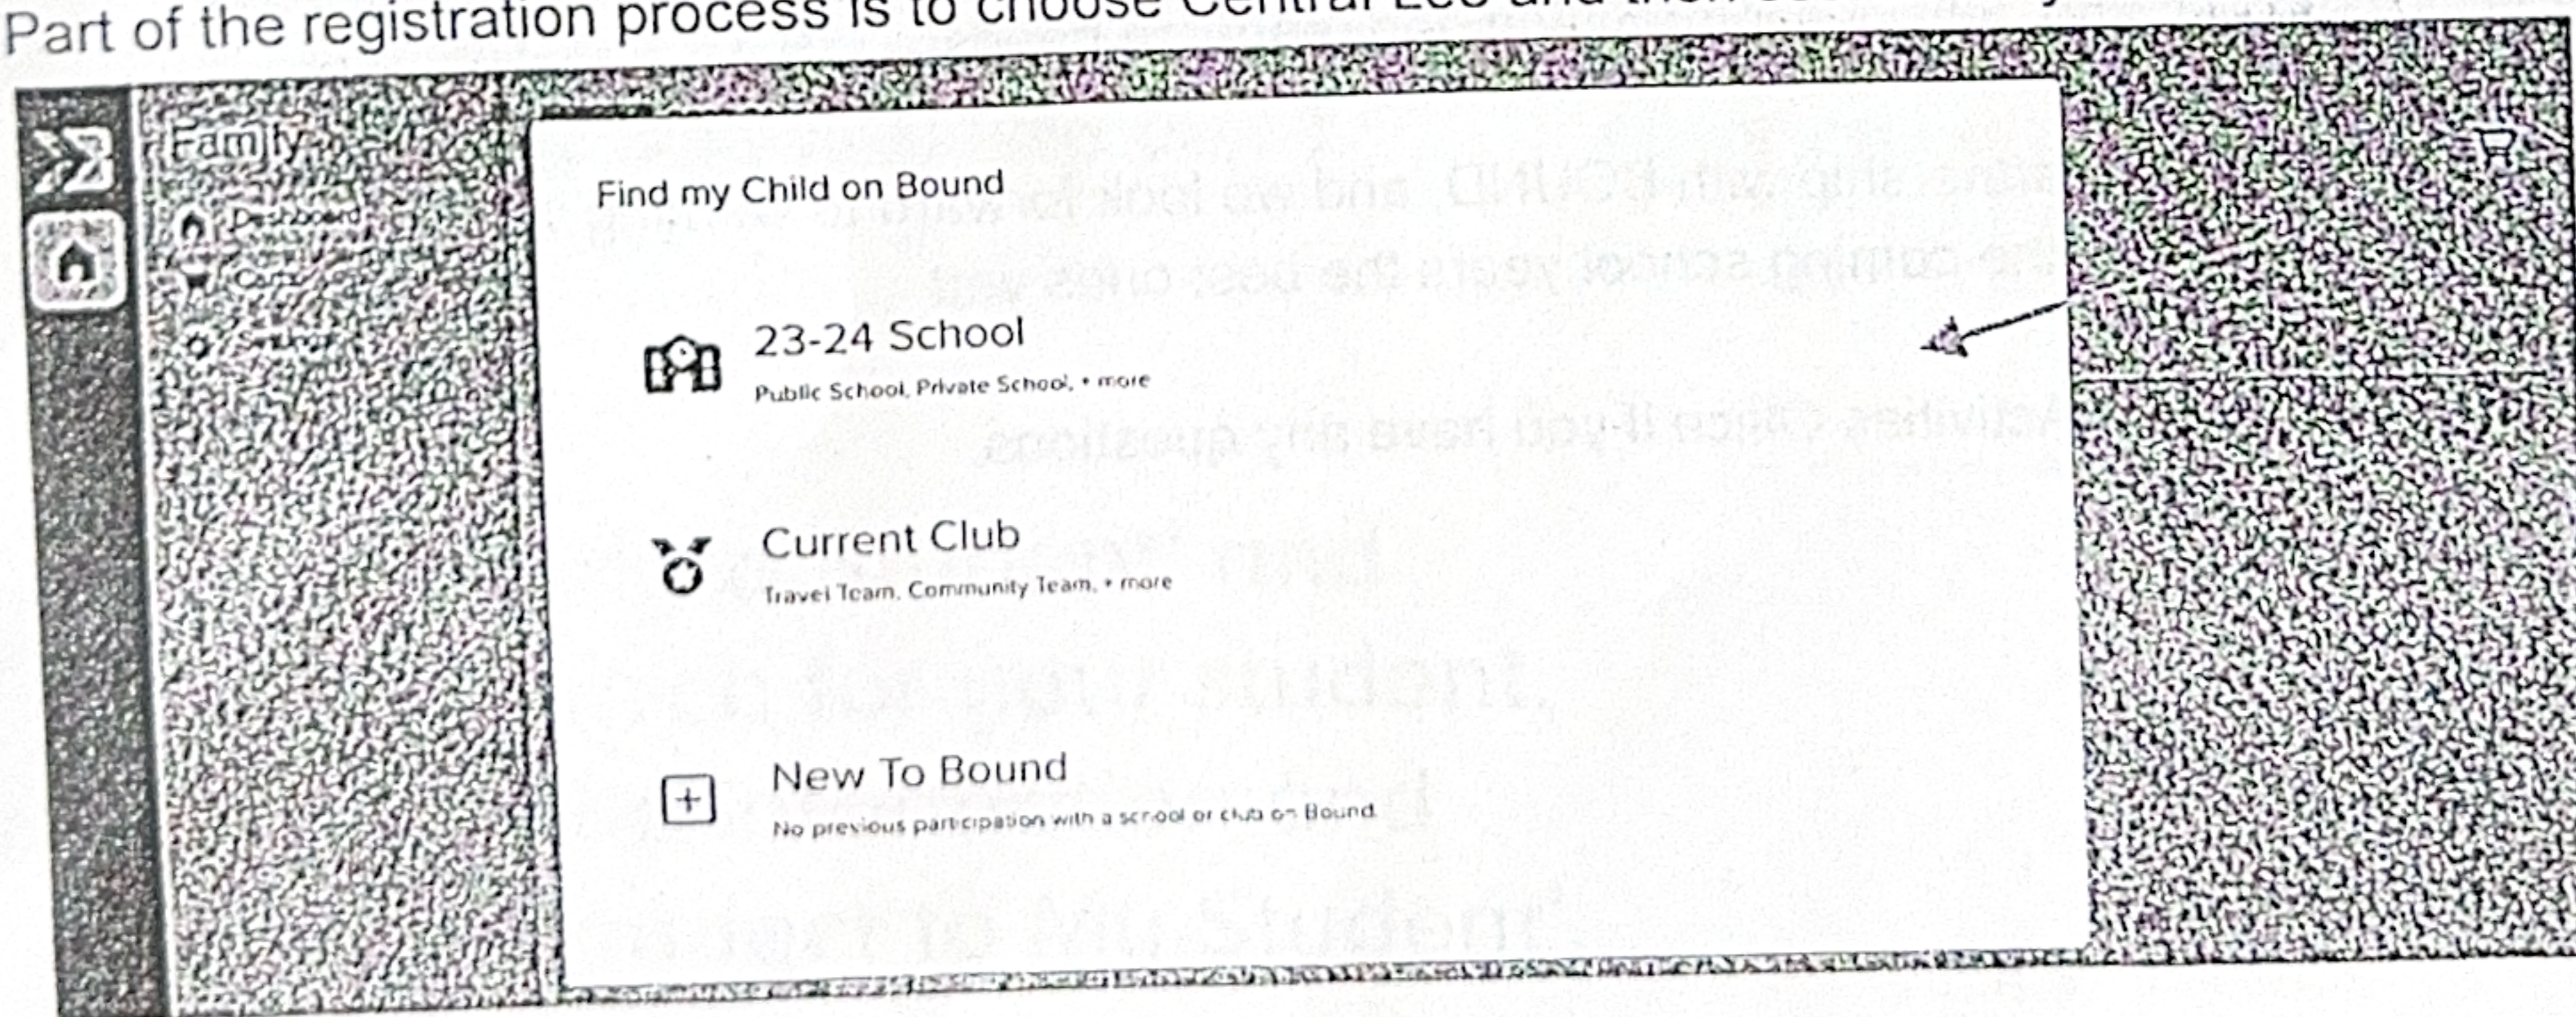

Athletic Registration - To get your athlete(s) registered for the sports programs, click on the 'Registration' link at the top of the Central Lee Bound public site. You can also click on the QR code on the attached Activity Registration flier.

From here, you will be able to connect your family (parent and student accounts), enter or update all important demographic information, upload your current physical, sign off on all of the required documents for participation, and register for the sports your athlete(s) intend to participate in this school year.

Here is a step-by-step document to get you started on the Athletic Registration process:

Part of the registration process is to choose Central Lee and then search for your student.

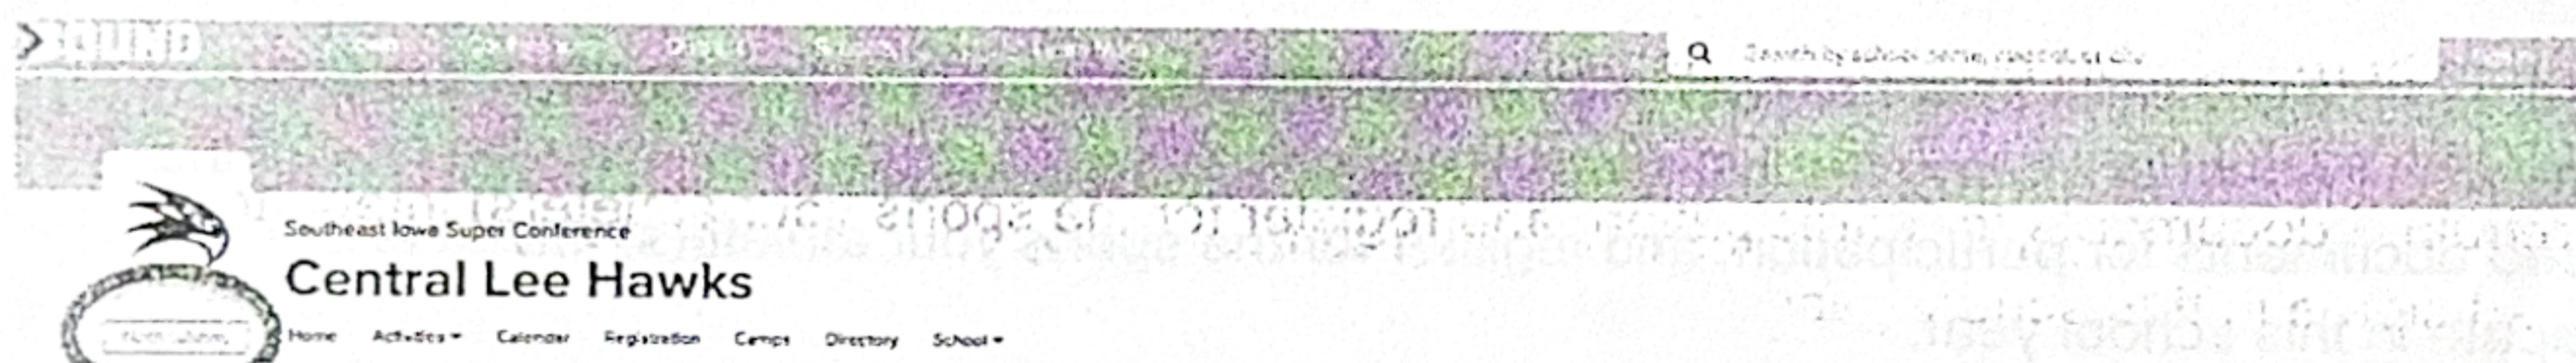

Because this platform is new to us if you do not find your student in the search field - go ahead and choose ADD STUDENT MANUALLY on the pop-up window. Then add your student and proceed with Registration.

If you are scheduled to get a new physical go ahead and complete all of the registration process that you can. When you have your new physical, come back to your family dashboard and complete the registration at that time.

Notifications - As parents or guardians of active high school students, you need to keep up with any changes or adjustments to schedules in real-time. By utilizing the "Notifications" feature in Bound, you will be able to sign up to receive notifications of changes, postponements, or cancellations in scheduled events. At the top of the **Central Lee Bound** public site, notice the green "Notifications" button below our mascot. This button is located in the same location on each page as you navigate from activity to activity.

If you want school-wide notifications, click on this button on the Home screen and sign up - name, email, phone number and what notifications you would like to receive. From there, navigate to the activities your student(s) are participating in or ones you want to follow and do the same. For example, if you want girls soccer notifications, you will click on Activities and soccer. Once you land on the soccer home page, click on the 'Notifications' button and sign up for notifications specific to soccer. Repeat this process for any activities you need to stay up to date and in the know!

Schedules, rosters, stats...and more - We would invite you to take a test drive around the site while you are there. Click on the links at the top of the page and you'll see all of the athletic, fine art, and school activities we offer here at **Central Lee**. This site will be your one stop shop for your family's athletic and activities information and resource needs.

We are excited for our partnership with BOUND, and we look forward to working with you and your student(s) to make the coming school years the best ones yet!

Please reach out to our Activities Office if you have any questions.
