

Non-School Team Participation Request Form

The Decorah Community School District Board of Education Policy 508.5 for non-school team participation states:

A student who participates in school sponsored extracurricular athletics may participate in a non-school sponsored sport during the same season with the approval of the high school activities director and the head coach of the sport they are participating in. Participation in the non-school sponsored sport shall not conflict with any school-sponsored activity, which will take precedence over any non-school activity.

Considerations for determining permission for students to participate in the sport and/or event will be:

- A. Regulations established by the Iowa Department of Education at 281 IA 36 and Iowa Code Section 280.13;
- B. The constitution of the state governing organization;
- C. District policies governing extracurricular activities;
- D. Participating and behavioral guidelines established by those in charge of the extracurricular activity.

A student who participates in a sport sponsored by an organization other than the District without obtaining permission shall be ineligible to participate on the school sponsored team in that sport for one-third of the season.

Applications are due at least two (2) weeks in advance of the event/activity.
